TRAINING SESSIONS UNDERWAY!

On April 13th, we began a series of training sessions for liaison officers. Over the course of two days, a group of about 60 volunteers integrated and already practised receiving vessels. A pleasant surprise awaited the Polish Navy ships, ORP Albatros and ORP Mewa. A spectacular welcome stole the hearts of the soldiers of the 3rd Coastal Defence Flotilla in Gdynia. The liaison officers also took part in creative games and workshops, and listened to a safety lecture. Further meetings are scheduled, the next one on May 18th. All this is to ensure that the crews from all over the world, who will soon be arriving in Szczecin, are looked after efficiently and professionally.

Sailors also need to prepare for the regatta. The representation of Szczecin in The Tall Ships Races will sail on two ships: Dar Szczecina and Zryw.
